

## **April 3<sup>rd</sup> 2020 COVID-19 update from Securi-T USA**

To our valued consumers, the spread of the 2019 Novel Coronavirus (COVID-19) has raised concerns about the continued availability of medical products including ostomy. We continue to work diligently to support all our customers and consumers during this challenging time.

### **We want to share the facts and remove any product supply uncertainty you have going forward**

- Securi-T USA seeks to ensure that our customers experience no disruption to the supply of their products and to protect our Securi-T USA Associates and their families. Importantly, we do not anticipate any impact to our ability to supply our ostomy products to you and those in need in the community.
- We continue to work with all direct and indirect purchasers of our Ostomy products to ensure we are responding appropriately to any change in demand due to this unique situation.

### **Know that we are here to serve you and support your needs**

**Should you have any immediate questions or concerns, please contact your distributor partner supplying Securi-T Product. If you have any specific Securi-T USA Product support questions, please contact your local account representative; or us at Securi-T via phone 800-323-4060 (Choose Option 5) or via email at [securit@hollister.com](mailto:securit@hollister.com).**

We will continue to monitor the coronavirus (COVID-19) situation and will share new developments as they occur. For the latest information, please visit our website: [www.securitusa.com](http://www.securitusa.com)
